Your Cultivar Greenhouse has been assiduously designed and built to stand the test of time and we are confident your greenhouse will last a lifetime.

That's why we offer a 30-year lifetime guarantee, covering both the structure and installation, and giving you complete peace of mind.

The Small Print

This Guarantee does not cover accidental damage to, or misuse of, the greenhouse or glasshouse.

Our Guarantee only applies if the greenhouse was installed by us.

The gasketry, glass and hardware which are not manufactured by Cultivar are not covered under this guarantee. Please note that these items are considered consumable or wear-and-tear parts and may require periodic replacement or maintenance. If you have any questions or concerns about the guarantee coverage, feel free to reach out to our customer service team for clarification.

This does not in any way affect your statutory rights or any other rights which cannot be excluded by law. Any guarantee is in addition to, and not instead of your statutory rights.
